Help us make Mapesbury a perfect place to live

Mapesbury Residents' Association (MAPRA)

MapRA welcomes everybody living or working in the area approximately bounded by Willesden Lane and Cricklewood Broadway / Shoot-up-Hill and between Kilburn station and the Willesden Green area.

We continue to strive to:

- represent the interests of residents and businesses at Brent Council and Health, working together with them to improve planning, parking, street care, the environment and access to health. We also have an excellent relationship with the Police on all levels.
- enhance community spirit and help residents find solutions to day-to day problems in Mapesbury.
- build our e-mail list so that we can quickly alert members to our community social events, local crime, planning concerns and any other matters of interest to residents living in Mapesbury

The more members we have, the better we will achieve these aims.

Annual membership is only £2 per annum for a family unit
(£10 for 5 years helps our admin workload)

We are proud of Mapesbury and want to improve it.
