

If any of these thoughts apply to you . . .

- *I love home cooking but don't have the time*
- *I don't want to cook after a hard day at work*
- *I get weary of cooking for only one or two every night*
- *I would rather not eat supermarket ready meals*

Rosy's Kitchen **is the answer!**

Cooking has been my lifelong passion and I am thrilled to be able to offer you tasty, homemade dishes using fresh seasonal ingredients that knock the spots off those 'posh bistro style' supermarket meals

Each week I prepare about a dozen different dishes - soups, starters, meat, fish and vegetarian main courses, desserts, a cake & biscuits - always with many vegetarian options, but nothing with additives or preservatives. **Home deliveries in the Mapesbury area every Thursday from 5pm to 7pm**
